After 20 months pandemic situation(lockdown), meeting of IQAC, starts under the chairmanship of Dr. Someswar Chatterjee, TIC of the college, and TIC requests all the members to take a active part in the meeting and express or share their problem due to after lockdown.

Resolution adopted-

1. Dr. D. Bose, coordination of the Cell, read out the previous resolutions which was adopted in the meeting, dated 19/9/2021, the TIC asks all members if any changes need, as no any changes come up for discussion, so the resolutions of the last meeting unanimously is approved as well as confirmed by the house
2. The college opened after twenty months of lockdown, now it is seen that there are many problems in the college. But thank God that we are still alive in this world, our students could not be affected by the pandemic like that, except for education. Proper arrangements should be made for regular classes in the college as before. The higher education guidelines related to corona virus should be followed notification by notifications, wall postering, placard, festoon, notification, duties of students etc. should be printed and hung on the wall of the college to make every student aware, if necessary it should be given on the college website. The teacher-in-charge is requested to take measures to ensure proper monitoring of wearing of mask, distance maintenance etc. All classrooms should be sanitized, masks should be supplied to students by the college. All the benches in the class room must be cleaned of dust. Nektul Sek and Sudeep Mehena are requested to take action in this regard.
3. Souvik Kundu, Secretary of the Teachers' Council, is requested to modify the offline routine so that classes can be given to maximum number to the students. But unfortunately, except for some honors students, almost all the students in every subject are not coming to college, they need counseling to come to college, after twenty months of lockdown, they are reluctant to come to college. Many students
