NOTICE

Subject: Suspension of Classes Due to Second Semester University Examination-2025

This is to inform all students that classes for the ongoing semesters have been suspended with immediate effect due to the commencement of the University Examination for the Second Semester.

Students are advised to check the official website for further updates. Regular classes will resume after the completion of the examination period.

For further updates, please stay connected with the official notice board or student portal.

Date: 09/09/2025
